The 1981 Homecoming Week's festivities began with a kick-off assembly Monday morning sponsored by the Interclub Council. Since Tuesday was class day, the seniors were their favorite 1-shirts, juniors wore their Halloween masks, sophomores wore warm-up suits, and freshmen wore army clothes. Wednesday's door decorating contest was won by Mrs Spillman's and Mrs. Davis' homerooms, and that night Key Club sponsored its annual bonfire. On Thursday, jersey day, a prize was awarded to Delta Tri Sigma, the club with the most "jersey-clad" members and a mini pep rally was held during break Friday's pep rally was concluded with the announcement of the 1981 Homecoming Queen, Miss Sylvia Struck. HHS's victory over Butler Friday night gave students something to celebrate at the dance on Saturday. Most assuredly, Homecoming Week 1981 provided HHS students with precious memories and experiences

Panthers Reach State Semi-Finals

The 1981 football season will supply fond memories in the years to come. The Panthers battled their way to the semi-finals of the state playoffs with unforgettable confrontations against traditional rivals Butler and Lee along with other state powers: Coffee, Anniston, and Carver, Sometimes the team used near-miracle finishes to pull victory out of the claws of defeat. With a tough defense and one of the state's finest kicking games, the Panthers did whatever it took to win. Offensively, they also pulled out clutch performances to win crucial games like the state quarterfinal against Anniston Each player should be congratulated for the hard work and the level of excellence that was put forth to make the season one of the best in recent history.

Girls Volleyball Team Captures All-Region Title

In winning the city championship, the Huntsville High Volleyball team had another impressive year. Behind the performance of first team all-city players Charlotte Dixon and Joyce Ayers and second team all-city players Patricia Jann and Liz Epps, the Panthers dominated city play with a 7-1 record to take the city championship. Dixon and Ayers also took all-region honors. Under the guidance of Sherry Ammons, Huntsville Coach of the Year, the team had a 33-8 record overall and won the Region Twelve Championship. Despite a disappointing quarterfinal loss in the State Tourney, impressive performances in invitational tourneys proved the HHS Panthers one of the best teams in the state.

Girls Basketball Team Proves Successful in Winning Region Title

Although the Girls Basketball Team had a slow beginning, they roared to the top at the end of the year. As the season was ending, the Lady Panthers began to peak and closed with a fury with a team that never gave up. They captured the Region 12 title defeating the Johnson Jaguars in a most unforgettable final. We should all congratulate Coach Ammons and the team for another great year

performance proved to be the best in school history. The wrestlers had four first place, four second place, three third place, and one fourth place finishes to sweep the Region 4 championships. All twelve wrestlers qualified for the state championships. At State, Carl Lowe earned second place and his final match was named best in the State Tourney. The rest of the team performed equally well Bartiely Loftin won third place honors, David Baughn and Trey Bentley finished fourth, and Troy Thomison came in fifth

Swimmers Have Impressive Year

The boys and girls swimming teams are continuing the school's tradition of excellence. Both teams are undefeated in city dual meet competition and they were the winners of the Rocket City Invitational. The teams pulled an impressive second place finish in the Gulf States Invitational, finishing only behind a swimming school from Florida. The diving team has had the same success. Dawn Reilly took first place in the Gulf States Invitational and also at Emory. Team members cite the ability of Coach Lee Farless and their determination to be the best as keys for victory. Although back-to-back state championships are a tough act to follow, the team appears to be ready and equal for the task
